OVER 50 FINE PHYSICIANS CARING FOR YOU

At Marque Medical, our passion is your wellness. We employ exceptional physicians with multi-specialties, ranging from pediatrics to cardiovascular health to family medicine. Honored as the #1 Top Workplace, our family of medical experts are here to take care of yours, 7 days a week - early to late.

PERSONALIZED NUTRITION PROGRAM

Marque HealthStar is a physician-directed weight loss, nutrition, and exercise program that uses biomarkers to create precise recommendations. Plans start at just \$49 per month and are highly customized to fit your specific goals. Visit MarqueMedical.com/HealthStar to sign up today and start seeing results.

WORKPLACE WELLNESS

Marque provides a wide array of workplace services to keep employees healthy and reduce employer costs. We work with thousands of companies and participate in most major MPNs to provide quality healthcare to the workforce. Contact us at info@MarqueMedical.com

CONCUSSION MANAGEMENT

Marque HeadStrong Concussion Program utilizes the FDA approved Brain-Scope® One device to assess brain injury. Winner of the GE NFL Head Health Challenge, it's accurate, radiation-free, and available at all Marque locations. Suspect a head injury? Learn more at MarqueMedical.com/HeadStrong

HEART SCREENING COVERED BY MOST INSURANCE

Marque SmartBeat is a cardiovascular screening that uses ultrasound of the carotid artery and abdominal aorta to help spot heart disease. We combine blood work and biometrics, together with personal and family history, to produce a detailed report of your risks. All results are reviewed by a Marque Cardiologist.
